The Auto-Sleeper Owners' Club is open to current owners of Auto-Sleeper motorhomes. The Club is officially supported by Auto-Sleepers Group and offers a full events programme with rallies throughout the UK and Europe.

The Club is a Company Limited by Guarantee and not having a Share Capital. This means should the Club be wound up, and have insufficient assets to meet its debts, the most that each member can be asked to contribute towards the deficit is £1.

The membership subscription covers the calendar year and is due on the first of January each year. New members joining on or after first September are covered until the end of December the following year.
